Andy Robison

1. O, bow down your ear to me; Re - fuge of my soul.  
2. Vile, the men who round me sin. 'Wake at night they lie,  
3. Teach them with Thy might - y arm; Ven - geance all is Thine.

Please, de - li - ver me, O Lord; — Cleanse and make me whole.  
Plot - ting e - vil toward my soul, — Glo - ry if I die.  
Let my foes in - flict no harm; — Peace with - in be mine.
