1. Love un - sur - pass - ing, end - less love,
 2. Love, per - fect love will guide us home.
 3. Love so a - maz - ing sent His Son.

Guid - ing, shin - ing down from a - bove.
 By His side no long - er to roam.
 Con - quered death, a vic - t'ry is won.

Fer - vent - ly trust in all that's true.
 If on our path we go a - stray,
 Con - stant - ly strive His will to do.

Love each oth - er as Christ lov - eth you.
 Hold God's hand there's no oth - er way.
 Live for Christ as Christ lived for you.

Bound in sin, re - ceived His grace,
 Walk - ing dai - ly in His light,
 Rich - est bless - ings in God's plan,

Trust - ing in a heav' - nly place.
 Led by the Christ there is no night.
 Gone the debt now is a free man.

Good works filled in all day you do,
 Dwell be - side Him and day by day,
 Dead to sin and raised a - new,

Love each oth - er as Christ lov - eth you.
 Hold God's hand there's no oth - er way.
 Live for Christ as Christ lived for you.
