 fears now reach Your throne; Lov - ing, You  
 I just don't know how I should pray  
 what I should say comes out in tears;  
 all of my fears now reach Your throne;

go: To plead for joy, to beg for

 hear. I may not know just what is

for things to go: To plead for joy,  
 words go a - way. I can - not find

peace, to let my soul feel some re - lease?

to beg for peace, to let my soul feel some re - lease?  
 just what to speak; Your Spir - it knows how I'm so weak.  
 just what is best, But in Your will, I now find rest.

Your will be done, Lord, Your will be done. The world's on

fire, Lord, your will be done. Help me re - sign, Lord, all my de -
